If you have materials not listed above, please contact RCS for pricing and verification of acceptability. Failure to provide advance notification of Non-Conforming Materials will result in additional fees for return shipment or for processing either at RCS facility or outsourced to affiliated/ partner recycling facilities.

In the event we perform services on your premises, you will provide us with a safe work place, and will have materials prepared for shipment. Our Madison recycling facility is open for drop offs Monday-Thursdays 8:00am - 2:00pm, Fridays only with 24 hours advanced notice. Customer is responsible for properly packaging of all materials for pickup, drop off, and transportation, as required by state regulations. RCS drivers cannot handle unprepared or unpackaged materials at Customer's facility during the time of pickup.

Transportation fees and fuel surcharges are based on geographical area and current fuel costs, subject to change without notice. A 24 Hour Cancellation Charge is applied if the customer cancels a scheduled service within 24 hours of the scheduled date and time. On-Site Demurrage will be applied to any additional time beyond the included 30 minutes that our truck or driver spends on site waiting for materials to be prepared and loaded. Invoicing will be based on actual quantities and weights received at the recycling facility. Any off-spec discrepancies may be returned to your facility as undisclosed or unacceptable, and will be subject to additional fees.

The undersigned agrees to the terms and conditions of the full Contract Agreement, as an authorized representative of the Customer.
